PREFACE

The **Post Graduate & Ph.D. Studies Regulations 2024** will serve as a comprehensive framework to guide academic and research endeavors at our University. These regulations have been thoughtfully designed to foster excellence, uphold academic integrity, and align with evolving global standards in higher education. In an era marked by rapid advancements in knowledge and technology, postgraduate education and research play a pivotal role in shaping future leaders, innovators, and scholars. Recognizing this, the regulations outlined in this document aim to ensure a robust and supportive environment for academic excellence. They encapsulate guidelines for admissions, coursework, supervision, evaluation, and the ethical conduct expected from postgraduate students and doctoral researchers.

Indian Council of Agricultural Research (ICAR), New Delhi has restructured (2021), the syllabus and regulations of P.G. and Ph.D. degree programme through Broad Subject Matter Area (BSMA) Committees to mitigate the concerns related to agriculture education system in India and to ensure uniform system of education under New Education Policy (NEP) 2020. As per the BSMA recommendations, the University has incorporated several new things in common academic regulations in relation to credit load requirement and its distribution, examination and evaluation system during Master's and Ph.D. programme with teaching assistantship for Ph.D. scholars and revised the regulations of postgraduate and Ph.D. studies with the adoption of NEP-2020. These updated regulations incorporate inputs from faculty, alumni, and academic committees, reflecting the institution's commitment to inclusivity, equity, and quality. By integrating best practices and addressing contemporary challenges, the Post Graduate & Ph.D. Studies Regulations 2024 aspire to equip scholars with the tools needed to contribute meaningfully to society and their respective fields.

The dedicated efforts and contribution of Chairperson and all the members of Committee for preparation of the Academic Regulations, are duly acknowledged and I congratulate Dean & Faculty Chairman (Agri.), Director Education and his team for the task of editing and publication of this booklet "**Post Graduate & Ph.D. Studies Regulations 2024**".

ABOUT THE UNIVERSITY

Agriculture University, Jodhpur was established on 14th September, 2013 by Government of Rajasthan under Agriculture University, Jodhpur Act 21 of 2013 to focus on holistic development of arid and semi-arid regions of the state covering twelve districts (Jodhpur, Jodhpur Gramin, Phalodi, Barmer, Balotra, Nagaur, Deedwana-Kuchaman, Pali, Beawar, Jalore, Sachor and Sirohi), constituting 28% of total geographical area and sustaining 20.8% human and 28.4% animal population of the state. The districts under jurisdiction of the University cover three Agro-Climatic Zones of the state; Zone Ia-Arid Western Plain (Jodhpur and Barmer districts), Zone Iib-Transitional Plain of Luni Basin (Jalore, Pali, and Sirohi districts) and part of Zone Iia-Transitional Plain of Inland Drainage (Nagaur district).

The headquarter of the University, College of Agriculture, Jodhpur and Agricultural Research Station, Mandor are located on the Jodhpur-Nagaur-Bikaner highway at Mandor. It is 10 kms away from Jodhpur main railway station and 8 kms from Raika Bag railway station and Paota bus stand.

The University has three faculties *i.e.* Faculty of Agriculture, Faculty of Dairy Technology and Faculty of Agriculture Engineering. Under Faculty of Agriculture there are four colleges, College of Agriculture, Jodhpur and College of Agriculture, Sumerpur were established in 2012 and College of Agriculture, Nagaur and College of Agriculture, Baytu were established in 2015 and 2021, respectively. Under Faculty of Dairy Technology and Faculty of Agriculture Engineering, there are one college in each *i.e.* College of Dairy and Food Technology, Jodhpur (2020), College of Technology and Agriculture Engineering, Jodhpur (2020), respectively, and MBA in Agri business management programme (2023) running under the College of Dairy and Food Technology, to produce highly competent educated human resource in agriculture and allied sciences. There are two Agricultural Research Stations, one in zone Ia (Mandor, Jodhpur) and another in zone Iib (Keshwana, Jalore) and three Agricultural Research Sub-Stations, one in each zone at Samdari-Barmer, Sumerpur and Nagaur to prepare plan and perform need based research in this acute water scarce, but naturally rich bio-diversified area of the country.

The third most important part of tri-pillars (Teaching, Research & Extension) of agricultural development, is the Extension *i.e.* transfer of technologies for reaching the doorsteps of the farming community through one *Kisan Kaushal Vikas Kendra* (KKVK) at University head quarter and eight *Krishi Vigyan Kendras* (KVKs), two each in Nagaur (Nagaur and Maulasar) and Jalore (Keshwana and Raniwada) districts and one each in Jodhpur, Barmer, Raipur (Pali) and Sirohi districts under the umbrella of the University.

The different units of teaching, research and extension are systematically coordinated by the University headquarter with the following objectives:

- ❖ Imparting high quality modern education and scientific research in the field of agriculture and its allied sciences,
- ❖ To reach advancement in learning and conducting research, particularly in agriculture and other allied branches to increase quality, quantity and productivity of prominent crops cultivated in the jurisdiction area of the University,

- ❖ To undertake extension education of research/technologies especially focused for rural people of the state engaged in agricultural activities,
- ❖ To serve the society by satisfying the increasing demand for excellence in agricultural education, research and extension in the region, and
- ❖ Taking the initiatives in innovation and creativity in the different fields of agriculture to keep up with the holistic development of the region.

The University has its Directorate of Research with required infrastructure for doing research on various aspects both at headquarter and at different research stations. A number of research projects funded from ICAR and other agencies in the University are in operation wherein postgraduate students also participate/involve by taking up their research problems.

The Director Education in collaboration with the Deans of the colleges, and Director of Research coordinate research of Post Graduate students and integrate it with the general research programmes of the University. Directorate maintains the records of PG and Ph.D. students in the University and also supervise their progress in coordination with Deans of the Colleges, Directors and Controller of Examinations. In consultation with the Heads of Departments and Deans of the Colleges the Director Education regulates the teaching load of the Post Graduate Faculty and curricula development/refinement within each subject matter and integration of the said curricula into appropriate instruction manuals for students.

The Directorate of Extension Education is another important component of the University responsible for the development of extension education processes and transfer of technology to the stakeholders. Farm advisory services, organization of field days, Farmers fairs, various trainings *etc.* through a number of *Krishi Vigyan Kendras*, are some of the major activities of the Directorate.

Keeping in view the above academic programmes, the University has created a Directorate of Students Welfare with the aim to plan and organize the co-curricular activities for the benefit of students at the University and Colleges levels. The main objectives of the Directorate are to coordinate different activities of NSS, Sports, Literary, Cultural, Placement and Counselling *etc.* to facilitate the overall personality development of students of the University to groom them as worthy citizens of the nation. The Directorate is also supervising the Student's Union activities to prepare them to work in a democratic way to solve the genuine problems of students and to bridge the gap between the students and University administration.

The office of the Controller of Examinations is responsible for conducting all kinds of examinations of the University and timely declaration of the results. Entrance Examinations such as JET/Pre-PG/Ph.D. (Agriculture) remain the activity of this office as and when Govt. of Rajasthan entrusts this responsibility to the University for admitting the students to specific Undergraduate, Postgraduate and Doctoral degree programme in the Agricultural Universities of Rajasthan.

Further, the OGPA at the end of programme will be calculated up to the third decimal digit but shall be awarded up to two decimal digits. However, in case, third decimal digit is 5 or above, OGPA will not be rounded to next higher digit, for example if OGPA of 6.995, it will not be considered as 7.00.

1.15 Conversion of OGPA into percentage or *vice-versa*:

- A. Per cent of marks obtained under traditional system be converted to OGPA under 10-point scale by dividing it by 10 (ten).
- B. OGPA obtained under grading system (like 4 or 5 point scale *etc.*) be converted to OGPA in 10 point scale or percentage using the following formulae:
 - (i) $OGPA \text{ under } 10 \text{ point scale} = 9G/N$
 - (ii) $\text{Percentage of marks} = 90G/N$

Where G is the OGPA under grading system and N is the value of scale like 4 in 4 point scale, 5 in 5 point scale and likewise.
